

# TST-1080-DS

## Table Dock for TST-1080

The [TST-1080-DS](#) is a stylish table dock designed for charging a single [TST-1080](#) wireless touch screen. The table dock also allows the TST-1080 to be used as a stationary tabletop touch screen. The table dock holds the TST-1080 firmly at a fixed upright angle while docked, and allows it to be taken off at any time for portable use. Its sleek appearance makes it a perfect fit for any home or office.

One table dock is included with the TST-1080. Additional table docks can be purchased separately to accommodate multiple docking locations.
