TST-902-DS

Table Dock for TST-902

The TST-902-DS is a stylish table dock designed for charging a single TST-902 wireless touch screen while simultaneously allowing it to be used as a stationary tabletop touch screen. The table dock holds the TST-902 firmly at a fixed upright angle while docked, and allows it to be taken off at any time for portable use. Its sleek appearance makes it a perfect fit for any home or office.

One table dock is included with the TST-902. Additional table docks can be purchased separately to accommodate multiple docking locations.
