The MPC3/MPB3-TTK-SQR-SMK is a low-profile swivel mount accessory for the Crestron® MPC3/MPB3-TTK-SQR table top kit, which is compatible with the MPC3-201 3-Series® media presentation controller. It provides a means for permanently mounting the device to a tabletop surface while retaining the ability to rotate it for optimal positioning. The swivel range can be customized using optional limiting screws, with a maximum 330-degree rotation permitted.

The swivel mount may be installed on any flat, level surface with a thickness of 1 inch (25 mm) minimum to 1-3/8 inch (35 mm) maximum. Wiring is routed through the center of the swivel mount, passing beneath the mounting surface for a completely hidden appearance.
