

HZ-FP Series

Horizon™ Faceplates

- > *Bespoke designer aesthetics*
- > *Precision fit and finish*
- > *Available in 1, 2, 3, and 4 gang sizes*
- > *Available in white, almond, and black*
- > *Textured side panels and top/bottom trim pieces match the keypad button faces for a cohesive look*
- > *Smooth top and bottom trim pieces offer an elegant two-tone appearance*
- > *Custom trim can be fabricated to match any décor*
- > *Paintable trim (HZ-TRIM-G Series) is available to match any décor⁽¹⁾*

Horizon™ faceplates (HZ-FP-G series) are essential installation components of every Horizon installation to provide a finished appearance with customizable design elements. Each faceplate features side panels that match the keypad's textured button faces to provide a clean, contiguous surface from edge to edge. Each faceplate comes standard with color-matched top and bottom trim pieces in a choice of smooth or textured finish (both are included). The smooth trim provides a subtle contrast to the side panels for an elegant two-tone look, while the textured trim matches the sides perfectly for a cohesive overall finish. The trim pieces may be swapped easily after installation without tools.

Visit <https://www.crestron.com/horizon> for additional information.

To achieve a more bespoke appearance tailored to the room décor, the trim pieces may be replaced with custom trim fabricated from any solid material, such as wood, metal, marble, engineered stone, or Corian®. Please contact your Crestron representative, or refer to Crestron True Blue Support Online Help [Answer ID: 1000140](#), to obtain specifications and CADs for the fabrication of custom trim.

Contiguous Multi-Gang Expansion

Offered in 1, 2, 3, and 4-gang sizes, install up to four Horizon devices together, arranged side-by-side in a multi-gang electrical box. Alignment spacers are provided to ensure a smooth, contiguous surface across multiple Horizon devices and to provide consistent spacing between devices.

SPECIFICATIONS

Construction

Composition: Plastic; white, almond, or black; textured side panels; interchangeable smooth or textured top/bottom trim
Mounting: Attaches to the Horizon series devices mounted in a U.S. electrical box or plaster ring (not included), includes a metal backplate to avoid mounting issues due to imperfections in the drywall or electrical box

Dimensions

Height: 4.73 in (120 mm)
Width, 1-Gang: 3.07 in (78 mm)
Width, 2-Gang: 4.88 in (124 mm)
Width, 3-Gang: 6.69 in (170 mm)
Width, 4-Gang: 8.5 in (216 mm)
Depth: 0.41 in (11 mm)
