<u>Instructions for completing the DoC</u>

Before completing this DoC the entity/company must be registered as a Responsible Supplier in the ERAC database at www.erac.gov.au

1) **Responsible Supplier Information**

    a. **Company Name/ Name of Importer**- In the box to the right enter the name of the company or individual who is importing the item. This entity is assuming the responsibilities of the Responsible Supplier per AS/NZS 4417.

    b. **Trading As**- Fill in the box to the right as appropriate or enter N/A if not applicable.

    c. **Address of Company / Importer**- In the box to the right fill in the street address and postal code.

    d. **Australian Business # (ABN)-** Fill in 11 digit ABN.

    e. **Supplier Code No. (SCN)-** If the entity was registered as a Supplier with ACMA prior to March 1, 2013 it will have a SCN. If the entity is new then it will not have a SCN. In either case registration in the new database at www.erac.gov.au is required before completing this form.

2) **Product Brand/ Model Information***

    a. **Product Brand Name**- In the box to the right enter the product brand name e.g. Logitech, Lifesize, Harmony or similar as applicable based on the product labeling.

    b. **Product Model(s)**- In the box to the right enter the model number(s) of the product/ series as shown on the product labeling.

    c. **Product Type/Description**- Enter a brief description of the product(s).

3) **Technical Standards***

    a. **Standard-** This will come from the applicable test report(s).

    b. **Test Report No.** - Enter either the Logitech AGY-700- or LifeSize 050- report number. If no report number is applicable mark as N/A.

4) **Safety Level Assessment***

    a. **Overall Assessment**- Check the box for 1, 2 or 3, whichever defines the worst case for the item based on consideration to both AS and NZ definitions.

    b. **Registered item/ assembly**- Check one box as applicable based on the scope of the registered item/ assembly. E.g. For a rechargeable item provided with an external AC/DC power supply or charger, only the power supply or charger needs to be registered. In the most general terms only items/ assemblies with AC power need to be registered.

5) **Sign, Date and hold in files of the Registered Supplier.**

*Logitech or LifeSize may provide this DoC template with sections 2, 3 and 4 already completed. Contact your Sales representative for availability or email compliance@logitech.com
