

CBI5-BTN BLANK

Set of (4) Small and (1) Medium Button Caps, Backlit, Engraving Not Included

The Crestron® CBI5-BTN is a button cap strip for a Crestron Cameo® International Keypad (C2NI-CB or INETI-CB). Each CBI5-BTN includes a single strip of (4) small buttons and (1) medium button, without engraving. Separate models are available for the left and right columns.

Button Orientation

The CBI5-BTN allows the medium button to be placed on the top or the bottom of the keypad.¹ Install the CBI5-BTNL in the left column to place the medium button at the top or install the CBI5-BTNL in the right column to place the medium button at the bottom. Install the CBI5-BTNR in the right column to place the medium button at the top or install the CBI5-BTNR in the left column to place the medium button at the bottom.

CBI5-BTNRA-T_BLANK

CBI5-BTNRB-T_BLANK

CBI5-BTNRW-T_BLANK

Notes:

1. CBI5-BTNR and CBI5-BTNL button strips are not interchangeable. A button strip can be installed in the opposing column only if it is turned upside down. For example, two CBI5-BTNRs (right-sided button cap strips) can only be installed with the medium button at the bottom of the left column and the medium button at the top of the right column. Please choose CBI5-BTNR and CBI5-BTNL models carefully based on the desired button orientation.
