FT2A-PWR-EU-1-C14

AC Power Outlet Module for FT2 Series, Single, European "Schuko" Type F Outlet, IEC C14 Inlet

> Adds a single European "Schuko" type AC power outlet to an FT2 Series FlipTop™

> Outlet sits nearly flush at the top of the FlipTop for easy access

> Suitable for use in Europe, Korea, and other locales

> Rated 10 Amps at 220-240 Volts AC, 50/60 Hz

> Connects to the AC power source via an IEC 60320 C14 power inlet below the table

> Power cord not included

> Simple drop-in modular design

> Occupies two module space within the FlipTop

The Crestron® FT2A-PWR-EU-1-C14 AC Power Outlet Module is designed for installation within a Crestron FT2 Series FlipTop™ to provide a single European "Schuko" type receptacle above the table. It occupies two module spaces within the FlipTop, and is suitable for use in Europe, Korea, and other countries or regions where Commerce Department Plug Type F power outlets are used.

The FT2A-PWR-EU-1-C14 is rated for 10 Amps at 220-240 Volts AC, 50/60 Hz. An IEC 60320 C14 power inlet is provided on the bottom of the module for connection to an AC power source below the table (power cord not included).

SPECIFICATIONS

Power Rating

10 Amps @ 220-240 Volts AC, 50/60 Hz

Receptacle & Inlet

Outlet Above Table: (1) CEE 7/3 European "Schuko" grounded AC power receptacle, Commerce Dept. Type F
Main Power Inlet: (1) IEC 60320 C14 power inlet (power cord not included)

Environmental

Temperature: 0° to 45° C (32° to 113° F)
**Humidity:** 10% to 90% RH (non-condensing)

Construction

Composition: Precision fit plastic drop-in module, black
Mounting: Requires two consecutive module spaces within the FlipTop chassis, ideally at least one space away from either end of a module row, ships with one single-space blank plate module to be used if needed to fill an empty module space

Compliance

CE

Available Models

FT2A-PWR-EU-1-C14: AC Power Outlet Module for FT2 Series, Single, European "Schuko" Type F Outlet, IEC C14 Inlet
