

# USB-OFFLINE

## Offline Licensing USB Dongle for Crestron Virtual Control

The Crestron® [USB-OFFLINE](#) is a USB dongle that provides a means for validating Crestron Virtual Control (VC-4) room licenses and BACnet licenses offline without requiring an XiO Cloud® service account. The USB-OFFLINE is ideal for Crestron Virtual Control installations that require offline licensing. The USB-OFFLINE is compatible with the [VC-4-PC-3](#) Dell® micro computer or a standalone [VC-4 server](#).

**NOTE:** The VC-4 software must be upgraded to version 4.0000.00057 or later prior to using the USB-OFFLINE for offline licensing.

To use offline licensing, first order your [VC-4-ROOM](#) licenses, [SW-VC4-BN-1000](#) BACnet licenses (if needed) and USB-OFFLINE dongle. Then, configure your Crestron Virtual Control installation for offline licensing, and complete the [offline licensing form](#) to receive an offline license key. This license key must be added to your Crestron Virtual Control installation via a provided utility while the USB-OFFLINE is connected. The Crestron Virtual Control installation will then run the number of licensed rooms and/or BACnet objects as long as the USB-OFFLINE is connected. For more information, refer to the [Crestron Virtual Control Product Manual](#).

**NOTE:** Adding room or BACnet licenses requires resubmitting the [offline licensing form](#) to receive a new offline license key. Room licenses and BACnet licenses do not share an offline license key. For Crestron Virtual Control installations that require both license types, two unique offline license keys must be requested and applied. Crestron Virtual Control can be configured to run in either online or offline licensing mode. Existing licenses must be deleted from the Crestron Virtual Control installation before switching licensing modes.

### Specifications

#### Environmental

Temperature	-13 to 185°F (-25 to 85°C)
Humidity	0% to 95% RH (noncondensing)

#### Dimensions

Height	0.31 in. (8 mm)
Width	0.63 in. (16 mm)
Depth	1.61 in. (41 mm)

#### Weight

0.22 oz (6.24 g)
