Complete classroom solution for the unified campus

Remote learning | Unified Communications | Software-based video conferencing

Get your campus ready for the fall with our complete, ready-to-ship Crestron Flex for Zoom™ classroom systems. Instructors and students can present and share content from their own personal devices, simply and safely.

Option 1:

Complete system, no programming

- A+ Partner Price: $9,415
- Native Zoom software experience
- Includes 10.1 in. touch screen
- One-touch simplicity
- Consistent user experience
- Wireless video and audio presentation
- Flawless video quality
- Crystal clear audio
- Instant sharing

Option 2:

Enhance your existing classroom systems

Add a Crestron Flex for Zoom system to transform your existing classrooms to hybrid learning spaces that support remote participation.
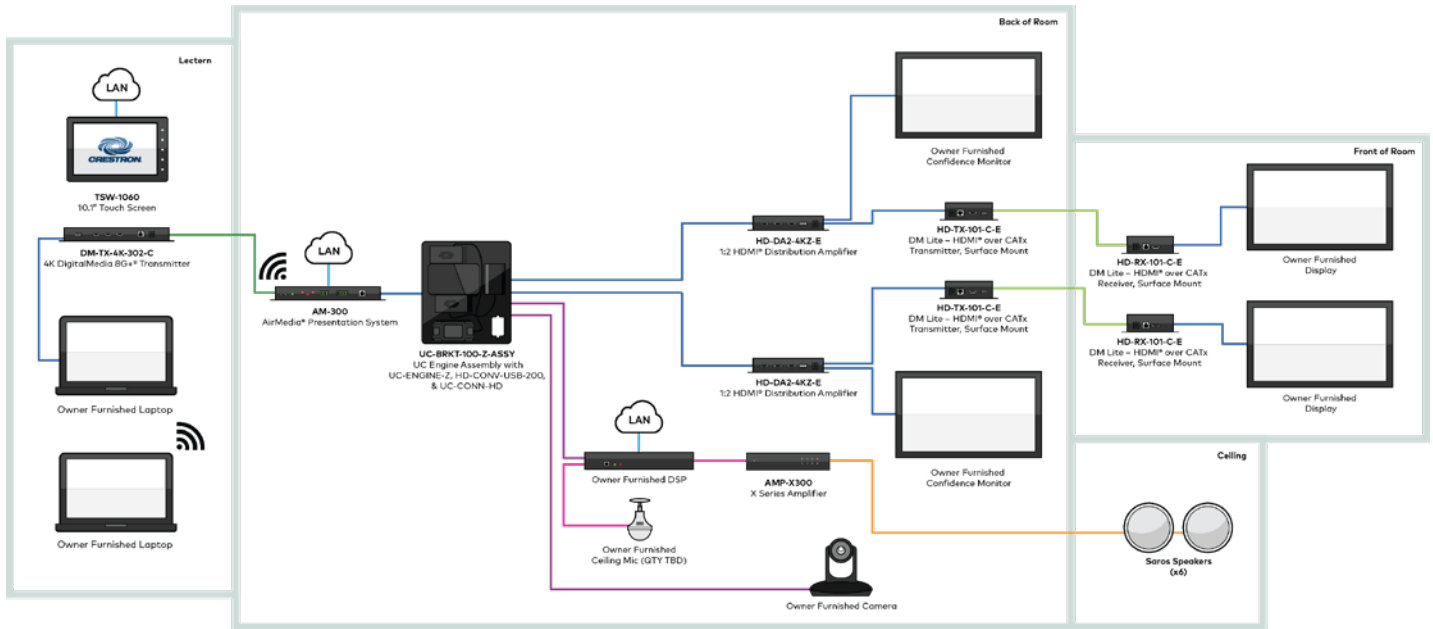

- Native Zoom software experience
- Allows for integration with existing room AV system
- Choose configuration for single or dual display
- Enterprise-grade security and network management
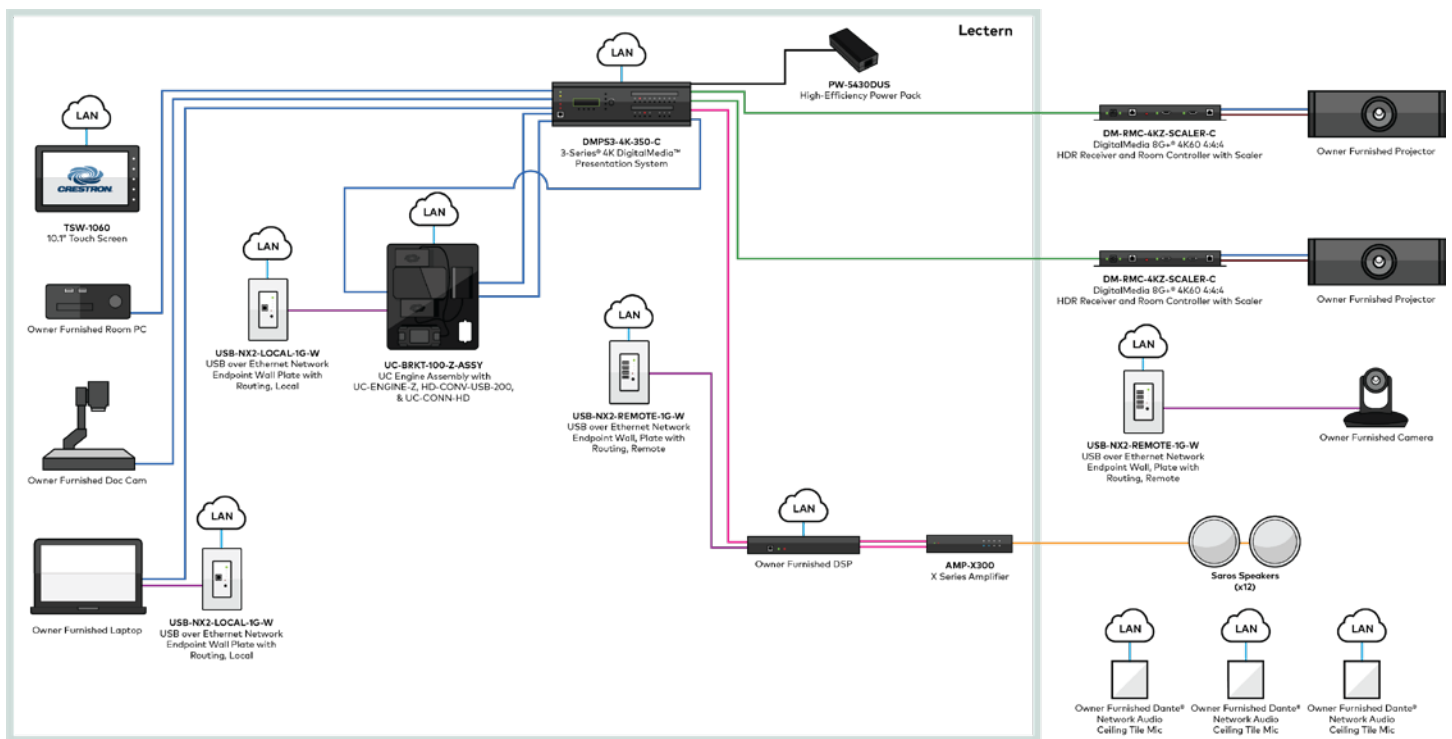

CARES Act: Higher Education Relief Fund

Crestron classroom solutions may qualify for funding under the institutional portion of the CARES Act Fund. **Act soon: CARES ACT funding must be used by Sept. 30th, 2020.** Your A+ Partner Regional Manager is ready to help.
Option 1: Complete system, no programming

Make your classrooms even smarter and safer
Add Crestron room scheduling touch screens, room availability signs, and
Power over Ethernet occupancy sensors to make it easier to adhere to room
capacity/social distancing guidelines.
