Sign Into the Microsoft Teams Service

When prompted by the tabletop conference device, tap **Sign In** at the bottom of the screen and follow the displayed instructions to sign into the Microsoft Teams service.

Configure the Device

Use the device's settings screens to configure the device. The default password to access the administrator settings is "admin." Choose a new password when prompted.

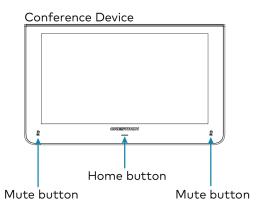

Factory Reset

A factory reset may be performed when troubleshooting.

To perform a factory reset on the conference device:

- 1. Power cycle the device by disconnecting and reapplying power.
- 2. When the device powers on and the LEDs flash green, tap the home button below the Crestron® logo 10 times.
- 3. When prompted, confirm the factory reset. Use the mute buttons to move the selector to **Yes**. Press the home button to confirm.

4. The device will reboot.
