

# SmarTouch: ST-112

## Description

The ST-112 is designed for the SmarTouch STS and used specifically to control Sony Ctrl-S devices. The entire length of the cable is approximately 15 feet (4.572 meters) with a 3.5 mm connector at each end. One end of the ST-112 plugs into one of the ST-CP IR OUT ports and the other end plugs into the Control S port of any Sony Ctrl-S device.
