

LOGI-960-001101

Logitech® MeetUp Camera for Crestron HomeTime™ Systems (not sold separately)

- Provides audio and video functionality for a Crestron HomeTime™ conferencing system
- Supports 1080p (Full HD) and 720p (HD) video resolutions
- 120-degree diagonal field of view
- Three broadside beamforming, omni-directional microphones with noise and echo cancellation
- Plug and play USB connectivity

The Logitech® MeetUp conferencing camera (LOGI-960-001101) is included with the Crestron HomeTime™ (HT-CAM) video conferencing system and the system's add-a-room upgrade (HT-CAM-AUX). The device contains a camera with a 120° diagonal field of view to capture an entire at-home space. The device also features a speaker and three broadside beamforming, omni-directional microphones with noise and echo cancellation.
