TSW-560-FMKT

Flush Mount Kit for TSW-560 Series

- *Enables flush mounting a TSW-560 series touch screen to drywall surfaces*
- *Easy to install and remove touch screen from adapter bracket*
- *Adapter bracket is paintable to match wall color and texture*
- *Can be used with TSW-560-FMKT-BBI back box to mount touch screen into concrete or brick surfaces.*

The TSW-560-FMKT flush mount kit allows a TSW-560, TSW-560-NC, or TSW-560P series touch screen to be flush mounted directly into drywall surfaces. The magnetized TSW-560-FMKT adapter bracket secures the touch screen to the surface while allowing for easy installation or removal. The adapter bracket can also be painted after installation to match the wall color and texture.

> **NOTE:** The TSW-560-FMKT is designed for installation into 13 mm (1/2 in.) thick drywall surfaces. Shimming may be required if the surface exceeds 13 mm (1/2 in.).

The TSW-560-FMKT can be used along with the TSW-560-FMKT-BBI back box to flush mount the touch screen into concrete or brick surfaces for a professional finish.

Specifications

Construction
