Ownership Instructions for Your New Dell Server

In order for you/your business to be recognized by Dell as the owner of this server
YOU MUST FOLLOW THE INSTRUCTIONS BELOW.

It is very important to transfer ownership of this server to your business entity and register your new server with Dell, immediately. By transferring ownership, you will be entitled to the full Dell warranty and access to Dell technical support for this unit.

You must transfer ownership immediately to receive warranty coverage and technical support.

Dell makes it easy to transfer the warranty and ownership of a Dell product from one owner to another owner. Simply open the shortcut located on the desktop of your new server and you will be taken directly to the Dell Ownership Transfer form. Fill out the form and submit it today.

NOTE: For the fastest and easiest transfer, you are strongly encouraged to submit your ownership transfer request using the shortcut provided from the computer being transferred (i.e. this server).
